The La Jolla Rough Water Swim has been a summertime tradition since 1916 and is nationally ranked number one as America's premier open water swimming competition. What makes this nonprofit event special, however, are the children.

While the adult events carry themselves financially. The Junior event entry fees are set with the priority of allowing all children to participate, regardless of their financial ability. This can only be achieved through the generosity of our more affluent swimmers.

The Foundation is exclusively volunteer, therefore One Hundred percent (100%) of each donation directly benefits the children.

Thank you for your consideration.
